Honorable Christopher W. Keller
Mayor
Town of Garrett Park
P. O. Box 84
Garrett Park, Maryland 20896

Dear Mayor Keller: *Chris*

Thank you for providing me with a copy of your July 29, 2009 letter to Council President Andrews regarding the White Flint Sector Plan. In your letter you raise concerns that the Town Council has about the impact of the proposed White Flint Sector Plan on local schools. Executive staff has consulted on this Plan with MCPS staff to obtain feedback from MCPS on its perspective of the White Flint Sector Plan and concerns about a possible redistricting. MCPS staff has indicated that in its review of the plan, there is no consideration being given to a redistricting now or in the near future. I certainly understand the concern that you and your Councilmembers are raising.

For your information I am enclosing a copy of my testimony on the White Flint Sector Plan and a copy of the written comments that were submitted in executive staff review of the draft Sector Plan.

Please feel free to call me if you have any questions.

Sincerely,

Isiah Leggett
County Executive
